

**REMARKS**

Claims 1 through 38 are pending; claims 1 through 4, 9, 17 through 22 through are amended in several particulars while claims 34 through 38 are newly added to define the color signal processing of elected Group II. Accordingly, these claims fall within elected Group II.

Claims 1 through 4, 9, 17 through 22 are amended in various particulars, principally for clarity. Claim 18 is amended to define its dependency upon the apparatus claim 17, while dependent claims 19 through 22 are amended to conform with the amendment of parent claim 18. As amended, claims 18 through 22 are included within elected Group II.

Examination of all of the pending claims is respectfully requested.

A fee of \$88.00 is incurred by the addition of four claims in excess of twenty dependent claims. The check of Applicant's attorney payable to the order of the Commissioner of Patents & Trademarks and drawn in this amount, accompanies this paper.

In view of the foregoing amendments and Applicant's compliance with the Requirement for Restriction, this application is believed to be in condition for completion of the examination. Should any questions remain unresolved, the Examiner is requested to telephone Applicant's attorney.

Respectfully submitted,
